
Field Technician

Location: Fort McMurray 2 Positions Available Competition #: LM00654

Leavitt Machinery is one of North America's largest Dealers for Materials Handling and Aerial equipment in the Pacific Northwest. We sell, rent, lease, finance, service & supply parts for Caterpillar, Mitsubishi, Taylor and Manitou Forklifts as well as complementary product lines such as JLG Booms and Scissor Lifts. As an equal opportunity employer with 17 locations in B.C., Alberta and Washington State, we are a market leader in the Materials Handling industry & offer an excellent benefits package.

We have an immediate opening in our Fort McMurray location for two (2) Field Technicians. Reporting directly to the Regional Manager, these individuals will be responsible for the diagnosis and repair of Materials Handling equipment including Forklifts and Aerial Work Platforms. Other responsibilities include performing scheduled Preventative Maintenance, communicating repairs with customers and completing documentation, as required.

The successful candidates will possess Journeyman Certification along with previous Lift Truck and/or Aerial Platform experience. The individuals we seek will be team players with excellent organizational, interpersonal & communication skills. These self-starters will have the ability to work with minimal supervision and will be able to contribute positively to a quality team environment. Shop work may be required.

If you are an innovative, results oriented team player and have the skills required to succeed in this position, please forward your resume in confidence to:
