SHOP TECHNICIAN

Location: Edmonton

1 Position Available

Competition #: LM00652

Leavitt Machinery is one of North America's largest Dealers for Materials Handling and Aerial equipment in the Pacific Northwest. We sell, rent, lease, finance, service & supply parts for Caterpillar, Mitsubishi, Taylor and Manitou Forklifts as well as complementary product lines such as JLG Booms and Scissor Lifts. As an equal opportunity employer with 18 locations in B.C., Alberta and Washington State, we are a market leader in the Materials Handling industry & we offer an excellent benefit package.

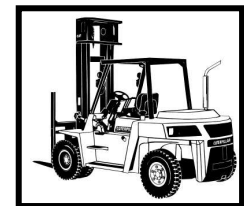

We have an immediate opening in our Edmonton location for a Shop Technician. Reporting to the Shop Supervisor and Regional Service Manager, this individual will be responsible for the diagnosis and repair of Materials Handling equipment including Forklifts and Aerial Work Platforms. Other responsibilities include performing scheduled Preventative Maintenance, communicating repairs with customers and completing documentation, as required.

The successful candidate will possess Journeyperson Certification, Heavy-Duty or commercial transport experience. The individual we seek will be a team player with excellent organizational, interpersonal & communication skills. This self-starter will have the ability to work with minimal supervision and will be able to contribute positively to a quality team environment. Experience as a team leader in a heavy duty shop environment would be an asset.

If you are an innovative, results oriented team player and have the skills required to succeed in this position, please forward your resume in confidence to:
